Today marks 400 days until we kick off the inaugural USA Masters Games in Greensboro, NC! Over the next 400 days, our USA Masters Games management team will be ramping up efforts to ensure that we put on the best event for our athletes and fans. In the meantime, we encourage all athletes to keep practicing and competing in preparation for Summer 2016.

The USA Masters Games will offer a variety of sports at the Greensboro Coliseum Complex and a wide variety of other major venues spread across the Greater Greensboro area. The following sports are currently in the process of being finalized for competition: baseball, basketball, bowling, canoe/kayak, crossfit, cycling, diving, figure skating, golf, ice hockey, kickball, lacrosse, martial arts, road racing, rowing, rugby, soccer, softball, swimming, synchronized swimming, table tennis, taekwondo, track & field, triathlon, ultimate frisbee, volleyball, water polo, weightlifting, and wrestling. Our goal is to finalize the 2016 Games sports and open registration this later this summer.
