## USA Masters Games Go Annual! Next Games: San Diego, Summer 2017

**Back by Popular Demand!** The athletes have spoken and made it be known they cannot wait two whole years for the next USA Masters Games! To address the athlete passion for the Games, the San Diego Local Organizing Committee and USAMG administration have agreed to transform the Games into an annual event (rather than every two years in the original Games plan). Therefore the next edition of the USA Masters Games will be held during the **summer of 2017** in **San Diego**. San Diego will also serve as the host of the 2018 USA Masters Games.

There will be **24 sports** in the 2017 USA Masters Games, with Archery, Judo, and Powerlifting new to the lineup. The sports of the 2017 Games are: Archery, Badminton, Baseball, Basketball, Beach Volleyball, Cycling, Diving, Figure Skating, Ice Hockey, Judo, Pickleball, Powerlifting, Road Racing, Soccer, Softball, Swimming, Synchro Swimming, Table Tennis, Tennis, Track & Field, Triathlon, Volleyball, Water Polo, and Weightlifting.

The primary dates of the 2017 USA Masters Games will be **July 12-16, 2017**. Thanks to a window of opportunity for certain USAMG sports to be conducted on the campus of the Chula Vista Elite Training Center (previously the U.S. Olympic Training Center), and in an effort to avoid conflicts with some of the 2017 adult sport national championships traditionally held in July, four of the sports, Soccer, Softball, Track & Field, and Triathlon will be held **June 22-25, 2017**.

The Games in San Diego will also include **Opening and Closing Ceremonies**, the **Games Village, social activities**, and **entertainment** events. Combined with San Diego's beautiful setting, year-round temperate weather, and numerous destination attractions such as Legoland, Sea World, Mission Bay, the Gaslamp District, Balboa Park, and the world-famous San Diego Zoo, the 2017 USA Masters Games in San Diego promises an extraordinary athlete experience.

Registration is projected to open on December 1, 2016. Be on the lookout for future updates. In the meantime, for more information on the 2017 USA Masters Games, visit [www.usamastersgames.com](http://www.usamastersgames.com).
